

The PTO of Meeting House Hill School

CallingPost Registration

PLEASE NOTE THE FOLLOWING AND KEEP THE TOP HALF OF THIS SHEET FOR REFERENCE:

- ✓ Only 10-digit, direct dial phone numbers can be accepted (area code plus number). Telephone numbers that require the caller to ask for or dial an extension or press in a code to access a voice mailbox will not work with CallingPost. The service does work if you have privacy manager; the name CallingPost will appear on your Caller ID.
✓ It is your responsibility to notify the PTO if any of your registered CallingPost numbers change. Remember, this is a separate notification from that of the school registrar. Please use the following dedicated email address for updates: mhscallingpost@sbcglobal.net. If you do not have email access, please call Kathy Lynch at 746-8302. Please DO NOT call the school to make changes to your CallingPost information.

Disclaimer: Meeting House Hill School and the PTO of MHHS are not responsible for any technical difficulties arising between the CallingPost system and the individual subscribers, nor can they guarantee that individuals will receive notification calls since calls sent are in part dependent on each individual being able to access their phone in a timely manner.

Please carefully fill out the following information and return, with your payment, to school in an envelope marked PTO - CallingPost ASAP. Make checks payable to: PTO of MHHS.
